The former oil production factory (sic) located at Pernerova (formerly ul. UNRRA) 54, Prague-Karlin, has recently been rebuilt and is now used as an SNB magazine, presumably for ammunition. The factory area was separated from adjacent buildings, where garages of the Ceskoslovenska automobilova doprava (CSAD) (Czechoslovak Automobile Transport) are located, by a barbed wire fence, about five feet high, placed on roofs.*

Comment: The Prague telephone book 1950 lists the Karlin depots of the CSAD at ul. UNRRA 50.
